Directions: Listen to the song "Firework" by Katy Perry. Find examples of Figurative Language in the lyrics and record them below.

SONG LYRICS	FIGURATIVE LANGUAGE FOUND IN LINES
1 Do you ever feel like a plastic bag 2 Drifting through the wind 3 Wanting to start again	
4 Do you ever feel, feel so paper thin 5 Like a house of cards 6 One blow from caving in	
7 Do you ever feel already buried deep 8 Six feet under scream 9 But no one seems to hear a thing	
10 Do you know that there's still a chance for you 11 'Cause there's a spark in you 12 You just gotta ignite the light 13 And let it shine 14 Just own the night 15 Like the Fourth of July	
<b>(Chorus)</b> 16 Cause baby you're a firework 17 Come on show 'em what you're worth 18 Make 'em go "Oh, oh, oh!" 19 As you shoot across the sky 20 Baby you're a firework 21 Come on let your colors burst 22 Make 'em go "Oh, oh, oh!" 23 You're gonna leave 'em fallin' down	
24 You don't have to feel like a waste of space 25 You're original, cannot be replaced 26 If you only knew what the future holds 27 After a hurricane comes a rainbow	
28 Maybe you're the reason why all the doors are closed 29 So you can open one that leads you to the perfect road 30 Like a lightning bolt, your heart will blow 31 And when it's time, you'll know 32 You just gotta ignite the light 33 And let it shine 34 Just own the night 35 Like the Fourth of July <b>(Repeat Chorus)</b>	
36 Boom, boom, boom 37 Even brighter than the moon, moon, moon 38 It's always been inside of you, you, you 39 And now it's time to let it through

### REPLAY BY sean kingston

Shawty's like a melody in my head  
That I can't keep out, got me  
singin' like  
Na, na, na, na everyday  
It's like my iPod's stuck on replay,  
replay

Remember the first time we met  
You was at the mall with your  
friend  
I was scared to approach you  
But then you came closer  
Hopin' you would give me a  
chance  
Who would have ever knew  
That we would ever be more than  
friends  
We're real worldwide, breakin' all  
the rules  
She like a song played again and  
again  
That girl like somethin' off a  
poster  
That girl is a dime they say  
That girl is a gun to my holster  
She's runnin' through my mind all  
day, hey

See you been all around the globe  
Not once did you leave my mind  
We talk on the phone  
From night till the morn  
Girl, you really change my life  
Doin' things I never do  
I'm in the kitchen' cookin' things  
she likes  
We're real worldwide, breakin' all  
the rules  
Someday I wanna make you my  
wife

I can be your melody  
Oh girl, I could write you a  
symphony  
The one that could fill your  
fantasies  
So come, baby girl, let's sing with  
me, hey

### THRILLER BY MICHAEL JACKSON

It's close to midnight and something evil's  
lurking in the dark  
Under the moonlight, you see a sight that  
almost stops your heart  
You try to scream but terror takes the  
sound before you make it  
You start to freeze as horror looks you  
right between the eyes  
You're paralyzed

'Cause this is thriller, thriller night  
And no one's gonna save you from the  
beast about strike  
You know it's thriller, thriller night  
You're fighting for your life inside a killer,  
thriller tonight

You hear the door slam and realize  
there's nowhere left to run  
You feel the cold hand and wonder if  
you'll ever see the sun  
You close your eyes and hope that this is  
just imagination, girl!  
But all the while you hear the creature  
creeping up behind  
You're out of time

Night creatures calling, the dead start to  
walk in their masquerade  
There's no escaping the jaws of the alien  
this time  
(They're open wide)  
This is the end of your life

They're out to get you, there's demons  
closing in on every side  
They will possess you unless you change  
that number on your dial  
Now is the time for you and I to cuddle  
close together, yeah  
All through the night I'll save you from the  
terror on the screen  
I'll make you see

(I'm gonna thrill ya tonight)  
Darkness falls across the land  
The midnight hour is close at hand  
Creatures crawl in search of blood  
To terrorize y'all's neighborhood

The foulest stench is in the air  
The funk of forty thousand years  
And grizzly ghouls from every tomb  
Are closing in to seal your doom

And though you fight to stay alive  
Your body starts to shiver  
For no mere mortal can resist  
The evil of the thriller

### FIREFLIES BY OWL CITY

You would not believe your eyes  
If ten million fireflies  
Lit up the world as I fell asleep

'Cause they'd fill the open air  
And leave teardrops everywhere  
You'd think me rude  
But I would just stand and stare

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd rather stay  
Awake when I'm asleep  
'Cause everything is never as it seems

'Cause I'd get a thousand hugs  
From ten thousand lightning bugs  
As they tried to teach me how to dance

A foxtrot above my head  
A sock hop beneath my bed  
A disco ball is just hanging by a thread

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd rather stay  
Awake when I'm asleep  
'Cause everything is never as it seems  
When I fall asleep

Leave my door open just a crack  
(Please take me away from here)  
'Cause I feel like such an insomniac  
(Please take me away from here)  
Why do I tire of counting sheep  
(Please take me away from here)  
When I'm far too tired to fall asleep

To ten million fireflies  
I'm weird 'cause I hate goodbyes  
I got misty eyes as they said farewell

But I'll know where several are  
If my dreams get real bizarre  
'Cause I saved a few and I keep them in a  
jar

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd rather stay  
Awake when I'm asleep  
Because my dreams are bursting at the  
seams
